

THEROS GIN

THEROS GIN

Dry Gin

COMPOSITION

It is elaborated by the combination of neutral sugarcane alcohol, water with a high degree of purity and aromatic plant extracts obtained by maceration of juniper berries, angelica roots, cassia flowers and coriander seeds.

TASTING NOTES

- **Sight:** Crystalline and shiny.
- **Smell:** Characteristic and predominant notes of juniper, with botanical touches that increase the complexity of the aroma.
- **Taste:** Dry, striking, smoothly spicy and with slightly bitter end.

CONSUMER SUGGESTIONS

In the preparation of drinks as the traditional Gin Tonic.
